GUARANTEE

Your ProTelX product has been carefully manufactured and 100% tested using high quality assured components. It is guaranteed against faulty workmanship and materials for a period of 12 months from the date of purchase. In the unlikely event that a failure should occur, the unit will be repaired or replaced free of charge when returned postage paid to the address below within the guarantee period.

The guarantee does not include damage or failure resulting from misuse or damage in transit. Your statutory rights under common law are in no way affected by this guarantee.

For service in or out of the guarantee period, please return the unit postage paid to the ProtelX address below.

When returning your unit please ensure that the package contains a covering letter stating where and when the unit was purchased and the nature of the fault plus your proof of purchase.

* Repair or replacement is at the discretion of the manufacturer.

ProTelX reserves the right to change production specification without prior notice.
